1. Team Event: The meets that all our swimmers are encouraged to participate.
2. Optional Meet: Meets that may be or may be NOT available for us to register due to different zone host. There are four zones in Pacific Swimming, and our team CDST is in Zone 2. If the host team is same as us in Z2, then we can enter the event right after it is available. But if the meet host is in Z1 or Z3, then Z1 or Z3 swimmers will have higher priority to register into that meet, and other zone swimmers will have to wait until it opens to all others. In most cases, the meets will fill up well before the published entry deadline.
3. Meets in Bold means it open to swimmers with qualifying time only.
4. For Meet Details: http://www.pacswim.org/page/meet_schedule09.html
5. For Online enter: <http://www.swimconnection.com/pc/exec/MeetsCalendarView>
6. Ask your coach if have any questions regarding the meet, and we will also email parents with any updates or changes before each coming swim meet.
